"Such a great conference. I truly enjoyed all 3 days and look forward to continuing to better my knowledge and understanding of my role as district liaison!"

"I really appreciated that the national presenters did a great job of knowing and explaining issues and supports that are unique or specific to New Mexico. All of the content was highly relevant and also spoke to a broad range of liaison experience with aspects of McKinney-Vento and services/supports."

Key Takeaways:

"I have a lot of work to do to get students identified in our district but now have a better understanding of where to start."

"Great presentations. I was not aware of all the possibilities of assistance we can provide for the students."

Key Takeaways:

"Oh my! So many. A lot of new information. My priority will be better serving our seniors heading to college or trade school."

"I took away strategies to engage families and tips to identify children under the age of 6. Also I learned more information that clarified responsibilities when working with older youth and helping to provide information and coordinate services regarding higher education."

Key Takeaways:

"There are many other programs that I was not aware existed that help us make the program go further."

"Facilitators in the breakout planning sessions were so supportive."
