WHO QUALIFIES?

A child or youth is considered homeless and qualifies for services when lacking a nighttime residence that is fixed, regular, and adequate.

This may include the following:

- Sharing housing due to economic hardship, loss of housing or similar reason.
- Living in motels, campgrounds, trailer parks, or similar locations due to lack of alternative, adequate accommodations.
- Transitional housing and emergency shelters.
- Abandoned in hospitals or awaiting foster care placement.
- Cars, train stations, public spaces, parks, abandoned buildings, and other substandard housing.
- Migrant children, runaways, throwaways (children whose parents will not permit them to live at home).
- Unaccompanied youth who are not in the physical custody of a parent or guardian.

If you are the parent or guardian of a school-aged child and are without permanent housing, your child has the right to go to school.

(McKinney-Vento Act, rev. 01/2002)

ELIGIBLE STUDENTS HAVE RIGHTS

Those rights include:

- Staying in the same school even if you move AND receiving transportation to that school, as long as it is in the student's best interest
- Enrolling in school immediately without all of the documents schools usually require
- Receiving free school meals
- Getting help with school supplies and other needs
- Extra support for youth who are on their own
- Help connecting young children with early childhood services

The educational rights and protections of children and youth experiencing homelessness are provided by the McKinney-Vento Homeless Assistance Act. This Federal law provides support and removes barriers to education of homeless children.
